Highschool of The Dead

👁 19 ✓ 0 ★ 2

Chapter 1 by Jack Frost

This is Ortagami High school.

Or commonly known as the high school of the dead.

It wasn't always this way. It was a normal highschool like any other.

Until the apocalypse.

Some of us became mindless zombies, while some kept their minds.

There was about seventy of us that kept our sanity.

We didn't change much other than the fact we can't die.

Other than getting our heads smashed in.

But other than that we still went to school.
